

CELEBRATE EARTH DAY 2008

The Earth Day Steering Committee presents the tenth annual **Earth Day Celebration** for our community. The event takes place **Saturday April 19, 2008** at **EWEB's River Edge Plaza** in Eugene, OR. This year's theme is **The Power to Change**,

The event features:

John H. Baldwin Film & Lecture Series.

Music & entertainment throughout the day.

Earth Action Arena. Educational & informational booths & displays focused on actions we can all take to keep our environment clean & healthy for all species & the earth.

Procession of all Species. Children & adults dress as their favorite species & march harmoniously through the festival site.

We invite you to participate in the **Earth Action Arena**. Participants must provide their own tables, chairs & canopies. We encourage you to have an interactive display. The displays & your activity will be open to the public from 11:00 am to 5:00 pm on **Saturday April 19th** (rain or shine!).

Set up begins at 9:00am on Saturday morning. Please have your booth set up by 11:00am. Plan to remain for the duration of the festival.

Please complete the response form & return it to **Earth Day Oregon**; PO Box 177; Eugene, OR 97440. All paid registration forms received by April 1, 2008 will be included in the Eugene Weekly Earth Day Supplement.

Questions? Email Emily at emilyaevans@msn.com or call 520-4394. Space is limited; reservations will be taken on first come, first served basis. No refunds will be issued. Our website is www.earthdayoregon.com.
